

TRR 274

Checkpoints of
Central Nervous System Recovery

Post Doc Research Award

We award **10.000 €** for young researchers at the Post Doc level

Open Call 2026

The prize intends to recognize the hard work and achievements of exceptional Post Doc who have contributed to one of the TRR274 projects and support them in their future career path as scientists

Elegibility

Published in a peer reviewed journal as first or co-first author

How to apply

Send following documents as a SINGLE PDF:

1. Curriculum Vitae
2. List of publications
3. Copy of the research paper(s) with first/co-first author

to the TRR274 coordination office:

camilla.giudici@med.uni-goettingen.de

Deadline: 30.09.2026

Chosen candidates will be awarded at the TRR 274 International Symposium 2026
